

What we young people want to know

Top tips...

- ✓ A5 Leaflets
- ✓ Make it colourful
- ✓ Relevant pictures
- ✓ Not too much writing
- ✓ Break it down, we are only young
- ✓ Don't use acronyms
- ✓ Don't lie to us

- How long is the trial going to take?
- What is it for? What is your aim?
- What is the drug?
- What will we have to do?
- Will we have the same doctor or researcher from start to finish?
- Do we have to go ahead with it? Do we have a choice?
- What could it do to us? Is it definitely safe? (side effects, previous trials, placebos)

- Where the money is coming from
- Ethics
- Invitation Paragraph
- Other medicines
- What happens when the research stops?
- What is research?
- Why we were chosen?
